

AIOB Sponsorship

The American Institute of Oral Biology was established over 82 years ago to bring to practitioners of dental health sciences the latest developments and advances in the clinical application of biological research, and to bring closer to the practice of dentistry the specialized knowledge of allied disciplines dealing with systemic as well as oral diseases. The multi-disciplinary approach of the Institute seeks to reflect the dental practitioners' concern for the total well-being of the individual patient. A further goal of the institute has been to broaden knowledge of the prevention and treatment of oral and craniofacial diseases. The advancement of oral biology as projected by the work of the Institute has made possible the rendering of improved health care to patients through the detection, diagnosis, and early and more effective treatment of threats to general and oral health.

AIOB relies primarily on annual meeting tuitions from its members/seminarians to support the organization and programs. In addition, the organization seeks sponsorships to offset costs for lectures, events, meeting favors and the proceedings manual. In return, the institute has been able to host high-level programs, which have included several Nobel Laureates as well as other distinguished speakers in an environment conducive to learning and comradery, at a reasonable cost. Our seminarians can learn in the lecture hall as well as lunch and learn settings where they can interact more closely with the experts. Our sponsors have an opportunity to be recognized before, during and after the meeting on printed materials that are displayed or handed out, and on the AIOB website.

We would like to express our gratitude to those who have sponsored AIOB in the past and those who have an interest to be a future sponsor. Below, we have provided various programs that can be sponsored. Please ready, and if interested, select the program and amount of sponsorship, and return the form or submit the electronic form via the AIOB website.

Sincerely,

Shahrokh Shabahang, DDS, MS, PhD
President

Sponsorship Levels:

***Registration Bags:** \$_____ Includes business cards and/or pre-approved brochure/swag items in the AIOB registration bag that is distributed during registration.

***Event Sponsor:** \$_____ Individual or entire AIOB events, which includes “event/s signs” created by the sponsor (the design will need to be approved by AIOB) and displayed at the registration desk, in the CE hall, and lunch & learn hall. Sponsorship will also be published on the AIOB website and the manual.

***Favor Sponsor:** \$_____ AIOB provides a list of favors from which the sponsor selects. Examples of favors include T-shirts, mugs, tote bags, or mouse pads. Favors will display the AIOB and sponsor logo.

***Entertainment Sponsor:** \$_____ Saturday night entertainment. An event sign, created by the sponsor and approved by the AIOB board will be displayed next to the entertainment stage. The sponsor will be introduced and thanked prior to the entertainment and at each break as well as after the entertainment is done.

***Lecture Sponsors:**

Hermann Becks Lecture \$_____

Phillip Boyne Lecture \$_____

Each sponsor will provide two event signs, one to be displayed in front of the lecture hall, and the second to be displayed inside the lecture hall. Sponsor will be announced and thanked prior to introducing the speaker and a slide will be displayed on the screen at each lecture.

***Manual Sponsor:** \$_____ Sponsor will provide the promotion material to be approved by AIOB Board and displayed on the front page of the manual and on the AIOB website.

*All sponsors will be listed on our website for the entire year following our annual meeting. The sponsors will be listed in order of their contribution.
